**EMERGENCY MEETING**

**TOPIC: Stormwater ditch and drain Failing. The area is behind 404 Highland Ridge down to the corner of 431 Brandymill Blvd.**

The divot has receded away from the storm drain access thus creating an accelerated deterioration of the ground by the storm drain. This is creating a water backup into homeowners properties.

Ross Green will be calling Stormwater - Horry County 843-915-5160.

Ken Gilbertie motioned to adjourn the meeting. Ross Green seconded it.
